OFFICE OF RESEARCH AND DEVELOPMENT

Revised 4/24/2017

ED_012964_00017200-00001

Instructions

Person Completing Form / Organization / Phone No.

Enter your name, organization, and telephone number. The phone number should include the area code and, if applicable, an extension.

Records Schedule / Disposition Item

Enter the schedule number and the disposition item assigned to the records. For example: 1006b – where 1006 is the schedule # and "b" is the item. You may only use approved records schedules to authorize records destruction. These schedules can be found at <http://intranet.epa.gov/records/schedule/final/index.html>. Each form should contain records managed under one disposition item. If you are destroying records under another disposition item, use a separate form.

Record Title / Description / ID

Enter the records title. Optionally, you may also enter a brief description of the records and/or an internal identifier. For example: West Va. Air Quality (FY 01) / State action reports, air quality data, and correspondence / Box #18069

Format

Enter the format of the records (e.g., paper, electronic, photographic, microform, video and sound recordings).

Volume

Enter the volume of record material being destroyed. For paper records, report volume using cubic feet. For electronic records, report volume using one of the following: total size of the files by the easiest and most logical unit (e.g., 2 GB, 100 MB, 100 KB), number and type of media containing the data (e.g., 10 3.5" diskettes, 3 CD-RWs, 1 40 GB hard drive)

Location

Enter the storage location of the records.

Date Range

Start - Enter the earliest date of the records.

End - Enter the most recent date of the records.

Close Date

Enter the date the records became inactive.

Eligible for Destruction Date

Enter the date the records are eligible for destruction. Calculate the destruction date of the records by adding the retention time specified in the records schedule to the date the records were closed (close date + retention period). <https://www.nwccg.gov/committees/incident-planning-subcommittee/ipsc-destruct-date-calendar>

Destruction Method

Enter the method of destruction used for the records (e.g., recycling, shredding, pulping, physical destruction such as hammering or smashing, demagnetization).

Custodian Name –

Enter the name of the records custodian.

Date - Enter the date signed.

Authorizing Official

A Branch Chief or higher (of the custodian organization) should sign as the Authorizing Official for the destruction of records.

Name - Enter the name of the authorizing official.

Date - Enter the date signed.

Destroyed by

Name - Enter the name of the person performing the destruction of the records.

Date - Enter the date of destruction.

Witnessed by (required for destruction of sensitive records only)

Name - Enter the name of the person acting as a witness to the destruction of records by an outside contractor.

Date - Enter the date of destruction.

Comments

Enter additional information about the records (e.g., special circumstances, exceptions).

Retention of this Document

The Records Liaison Officer should retain the completed form. Retain per EPA schedule 1006b.
